Heartland Saddle Circuit

Come Win a Saddle with US

The Heartland Saddle Circuit is a competitive show series based on points earned at approved shows throughout the reining season. Saddles are awarded to year-end champions in the following divisions: Non Pro, Limited Non Pro, Rookie, Youth 14-18, and Youth 13 & Under. HSC uses a point system based on the number of entries in each show (see below). The Youth points scale is the same scale that is used to calculate the points awarded in NRHA Youth 13 & Under and Youth 14-18. In both point systems entries that earn a score of zero are not placed and do not earn circuit points. Points are recorded and accumulated on specific horse and rider combinations. All riders must have a NRHA Membership, a membership in KRHA, MRHA or SMRHA and they must show in at least 50% of the approved shows. Riders must also show at one show from each of the above affiliates. For each horse and rider combination, only the points earned from their top seven shows, will be used to determine year-end awards. Ties for HSC Champions will be broken based on the number of first place finishes earned by each individual.
